

Promulgation

TO: Directors of Local and State Agencies, Boards, Baccalaureate Institutions, Commissions and Councils

FROM: Keith Goehner, Chairman of the Board, Chelan County Commissioners

SUBJECT: 2010 Comprehensive Emergency Management Plan Promulgation Memorandum

The County of Chelan recently promulgated the *2010 Chelan County Comprehensive Emergency Management Plan*, a framework for Chelan County mitigation, preparedness, response, and recovery activities. Included in this plan as an appendix is the *Terrorism Consequence Management Plan*. The *Terrorism Consequence Management Plan* acts as a supplement to the *Comprehensive Emergency Management Plan*, focusing on terrorism.

The *Comprehensive Emergency Management Plan* and the *Terrorism Consequence Management Plan* detail the authorities, functions, and responsibilities of local, state and federal agencies as they relate to the Revised Code of Washington, Chapter 38.52, and to Presidential Decision Directives 39- “United States Policy on Counter-terrorism” and 62- “Protection Against Unconventional Threats to the Homeland and Americans Overseas,” respectively. In doing so, the plans describe the processes of Crisis and Consequence Management and how the integrated actions of local, state, and federal agencies establish a mutually cooperative environment for preparedness, prevention, response, and recovery activities.

The Plans will be utilized to coordinate all phases of emergency management activities in order to minimize the impact of terrorism and to protect the people, property, economy, and environment of Chelan County and the incorporated cities within its boundaries. Chelan County Emergency Management is responsible for coordinating emergency management activities as well as publishing, distributing, and revising the Plans, as required. Every effort has been made to assure the Plans’ compatibility with planning guidance provided by the Federal Emergency Management Agency, Federal Bureau of Investigation, Centers for Disease Control and Prevention, Department of Homeland Security, Washington State Emergency Management, and the laws of Washington State pursuant to Chapter 38.52 RCW.
